

Schulthess Rotary Ironer

MSI 25/100

The smallest MSI 25/100 is the perfect choice for small laundries in restaurants, retirement homes and nursing homes that process table linen and single bed linen. For efficient operation, we recommend a residual moisture between 15 and 20% and a maximum width of the laundry of 2 metres: this means folding once and achieving the best ironing results.

MSI 25/100 is your ideal companion: You can create up to 50 custom ironing programmes and save your preferred programme combination for consistent performance and ironing results.

The brand-new control is also the first platform on the market to offer integrated ironing tutorials and a hint for easy troubleshooting.

MSI 25/100

- Touchscreen display
- Dual temperature control
- User tutorials
- Troubleshooting hints
- 50 ironing programmes
(9 pre-set and 41 freely adjustable programmes)
- Manual mode
- Sleep mode
- Tenax roller winding
- Log file and USB connection

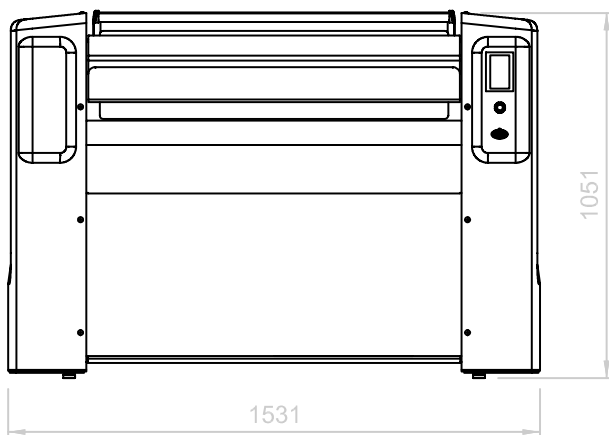

Technical data MSI 25/100
